There was a recent hue and cry over the fact that Central Intelligence, our No. 1 spy agency, had channeled funds into the National Student Association to help it battle communism.

However, an examination of the files of Rep. Wright Patman's CD-Tex.) Committee on Foundations shows the reason why the CTA moved in Out of 14 giant foundations with as.

Foundations shows the reason why the CIA moved in. Out of 14 giant foundations with assets of \$7.3 billion—all tax-ex empt—only two foundations untied their pursestrings to help the National Student Association combat communism both here and &broad.

These two foundations were Ford and Rockfeller. Ford contributed \$317,571 and Rockfeller \$50,500, which were infinitesimal amounts compared with the huge \$2.3 billion which Ford disbursed and the \$346 million Rockfeller spent.

which Ford disbursed and the \$318,700,000 and gave away \$58 million Rockefeller spent during this 16-year period.

Here is the lineup of the other top tax-free foundations of the Nation and what they disbursed from 19 it through 1966:

The Pew Memorial Trust, using Sun Oil Company money, had assets of \$600 million. The Alfred P. Sloan Foundation, using General Motors profits, has assets of \$275, tusing Sun Oil Company money, had assets of \$600 million.
